**Subject:** Keep local harbor jobs

The EPA should care about our economy and jobs and the environment

If the EPA approves a big, expensive cleanup, I am worried that it will lead to higher costs for small companies and Portlanders. We have utilities who will pay part of the cost and I'm worried a big cleanup bill would lead to higher utility bills.

This is important to me and our community. Please do the right thing and support our economy.

Sincerely,

(b) (6)
